AMDA – The Society for Post-Acute and Long-Term Care Medicine
Minnesota Geriatrics Society

October 22-23, 2015

Medina Golf & Country Club
400 Evergreen Road
Medina, MN 55340-2106
(763) 478-6021

NOTE: Please See Hotel Options  (Page 2)
Conference Objectives
At the conclusion of this conference, learner will be able to:
1. Explain the path that long term care has taken and some barriers to improving the long term care experience that have developed along the way.
2. Describe some potential alternative visions for the long term care experience in the future.
3. Describe your role as medical director in the development of non-pharmaceutical behavioral interventions, emergency preparedness, and fall reduction in your nursing homes.
4. Name some ways that your management of diabetes, heart failure and infections in long term care might improve by becoming more standardized.

Who Should Attend
Physicians, Family Practitioners, Medical Directors, Administrators, Physician Assistants, Pharmacists, Nurses, Nurse Practitioners, Directors of Nursing, Medical School Students, Residents, Social workers and professionals working in the field of geriatrics.
